

What's in store for the next edition of Paris Déco Off / Home?

Joining us for the first time are a number of superb brands, each combining a solid heritage in its respective field with exclusive or even age-old expertise, not to mention boundless creativity. The result is a perfect recipe for exalting high décor in all its forms, from the great classics to the freshest new trends. Come and take a look...

NEW BRANDS AT PARIS DÉCO HOME

Battilossi

Battilossi creatively crafted rugs and carpets from Italy

Founded in 1959, this manufacturer brings together East and West in its Italian-designed, contemporary rugs and carpets, each crafted through time-honoured techniques practised by the finest artisans of Nepal and Pakistan.

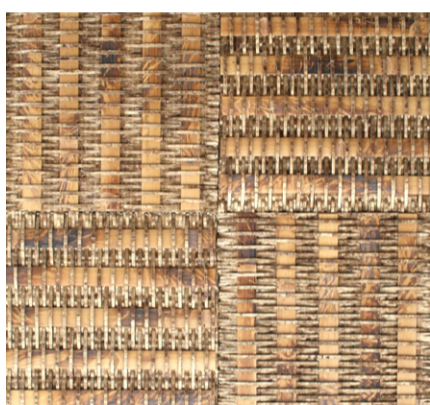

Collett & Victor

Bénédicte de Frondeville art in every swatch of fabric

Skilled in many artistic disciplines (including sculpture, painting and photography), Bénédicte de Frondeville is a textile designer who lends her aesthetic talents to fabrics, wallpaper, rugs and flooring for some of the biggest names in home décor.

Collett & Victor upping their game in upholstery

For the last half-century, Collett & Victor have elevated the art of upholstery to ever greater heights. The Belgian manufacturer is a supplier to the royal court, bringing vibrancy to vintage furniture and contemporary pieces alike.

NEW BRANDS AT PARIS DÉCO OFF

Boråstapeter all the spirit of Sweden

Since 1905, Boråstapeter has used nature motifs and elegant colour schemes to imbue walls with the Swedish art of living. It also offers a selection of bed linen, kitchen textiles and even flowery lampshades.

Boråstapeter

Delcourt Textiles the hallmark of a great designer

Renowned for understated, modern designer pieces that are as ergonomic as they are refined, Christophe Delcourt also produces collections of elegantly textured textiles in an array of warm, deep hues.

Evo Fabrics cutting-edge creativity from Portugal

All manner of tastes are catered to at Evo, a producer of classic, ethnically inspired and contemporary fabrics from only the best Portuguese designers. Its unique style can be found on everything from textiles to wallpaper and finished products (cushions, plaid throws etc.).
