# DÉCO NEWS **KIDS EDITION**

CHILDHOOD IS AN ADVENTURE, AND SO IS DECORATING! TO TURN THEIR ROOM INTO AN INSPIRING WORLD WHERE THEY CAN GROW AND DREAM, DISCOVER OUR SELECTION OF COLLECTIONS DESIGNED TO STIMULATE CREATIVITY. FROM MAGICAL WALLPAPERS TO COLORFUL TEXTILES AND CLEVER DECORATING SOLUTIONS, POETRY INVITES ITSELF INTO CHILDREN'S ROOMS. LET YOURSELF BE INSPIRED AND IMAGINE A SPACE WHERE EVERY MOMENT OF PLAY AND READING BECOMES A TRUE ADVENTURE.

**The Romo Group** & Villa Nova are proud to present Picturebook II, a captivating collection for children, created in collaboration with three exceptional illustrators: Frann Preston-Gannon, Christopher Corr, and Yuval Zommer. Composed of fabrics, wall coverings, trimmings, rugs, and accessories, the new collection celebrates the wonders of childhood. Bursting with color and energy, Christopher Corr's 'Joy of Life' celebrates the love of life's simple pleasures and a fascination for the diversity of cultures, nature, and creatures that make our world so captivating.

In children's rooms, **Noël & Marquet** brings charm and functionality together. The **IL18 WALLSTYL®** profile gently diffuses indirect lighting while discreetly concealing the curtain rail. Painted green, the panel mouldings add rhythm and a fresh, playful elegance—creating a refined, imaginative space that grows with the child.

**Little Greene** presents "Storybook Papers," the fifth wallpaper collection created in partnership with the National Trust.

Here is "Animal Kingdom," an eccentric scene taken from a 1930s printed fabric found at Tyntesfield, a secluded manor in North Somerset that was still a family home in 2001. The fabric was originally made into furniture covers for a children's bedroom.

Featuring a polar bear and penguins alongside an elephant and an ostrich, this playful design is rich with imagination about the "new world." It was effortlessly translated into a roller-printed wallpaper motif, available in a range of harmonious colors.
