DÉCO NEWS

AUTUMN VIBES #2

THIS AUTUMN, DÉCOR CELEBRATES THE FUSION OF ART AND TECHNOLOGY: DREAMLIKE ESCAPISM IS INVITED INTO YOUR HOME THROUGH HAND-PAINTED AND SURREALIST MOTIFS. TEXTILES FAVOR NATURAL COMFORT WHILE GUARANTEEING EXTREME DURABILITY. YOUR INTERIOR BECOMES A PLACE OF SOPHISTICATED ELEGANCE, BOTH DREAMY AND FUNCTIONAL.

"En Voyage" is the third collaboration between **Agenda** and **Darlingmind Studio**, an expert in creative design. Renowned for its dynamic color and sumptuous images, Darlingmind Studio creates surprising juxtapositions, transforming imagination into an experiential reality for the home. The Studio designs fabrics and wallpapers inspired by dreamlike worlds. The motifs are hand-painted, blending precision and fantasy. The collection shares a fascination for the imaginary and the real, transporting us on a surreal journey through mysterious places and extraordinary flora. *For Paris Déco Off 2026, Agenda will be setting up in a brand new location at 42 rue de Seine - 75006 Paris.*

A handcrafted woven texture paired with everyday functionality makes **Resort** by **Zimmer + Rohde** the ideal fabric for contemporary interiors. It combines the relaxed charm of linen with the performance of a modern upholstery textile, offering both aesthetic appeal and durability.

With its pleasantly dry feel and finely structured surface, this permanently flame-retardant fabric is suitable for a wide range of furnishing concepts, from casual living spaces to sophisticated contract environments.

Available in 25 colorways.

Ginkgo Garden by **Phillip Jeffries** currently on display at their Parisian showroom at 28 rue Jacob - 75006 Paris. This modern-inspired floral motif combines traditional elegance with cutting-edge laser technology. The fluid pattern is laser-cut onto authentic wood veneer wallcovering and is available in six polished shades.
