MERRY CHRISTMAS

ELEVATE YOUR HOLIDAY SEASON! ELEGANT WINTER TABLESCAPES, TRADITIONAL COLORS, AND THE PURE SOPHISTICATION OF HIGH-QUALITY GIFTS. LET US GUIDE AND INSPIRE YOU TO CREATE A FESTIVE DECOR THAT REFLECTS YOUR STYLE AND BRINGS JOY TO YOUR LOVED ONES.

### The Table by HestiaLiving

Red and Green Reimagined: The season's most familiar duo finds a subtle radiance in the Soleil collection. Deep tones, refined craftsmanship, and a balance between richness and functionality lend this palette a feel that is both timeless and unexpected. Handcrafted straw marquetry adds luminosity and energy, bringing a versatile and radiant color to any setting — creating an understated elegance that invites guests to linger a little longer.

**Green in Contrast:** For those drawn to nature's softer, more grounded color palette, the Epoch collection offers a study in subtle elegance and the gentle rituals that define the season. Mixing square and round Epoch placemats introduces an unexpected design moment, while layering different shades of green brings depth and originality to your table. The result is a festive decor that is fresh, unforgettable, and entirely personal.
